

Financial Assistance Application Form – Retreat Center

Please print clearly and make sure that you also submit a registration form and deposit for your retreat. The information you provide will be treated in confidence.

Retreat Center **scholarship** rates are on a sliding scale basis, from \$44 to \$34 per night for a 2020 course.

For certain Retreat Center courses, a limited number of 'You Choose' fee spaces are also available. This means you can establish your own course fee, based on your financial means. Although rates for this begin at \$20 per night, paying more allows IMS to continue offering financial assistance to as many people as possible. Complete this form if you are applying for this option.

Please be as generous as you can in determining the amount you can pay.
